Will Help Bear Expenses of Constructing Sewer.

Officials of the Erie and C., A. & C. held a conference Saturday with the City Commissioners, relative to the proposed storm water sewer to run along the railroad tracks, from Market to Blufff sts. The storm water has caused considerable annoyance in the neighborhood along the tracks, and property owners and railroad companies affected have decided to join in providing a remedy. The railroad men assured the Commissioners Saturday that they will bear their share of the expense.

SHE ASKED

FOR A KISS

But Husband Forgot It and She Has Left Him. South Bend. Ind., June 2-The South

Bend Police are curious to know whether or not Hollie Hurley, who said he was a Dayton, Ohio, hotel keeper, has been successful in finding his wife. After invoking the aid of the department in the search for his spouse, Hollie abruptly left town without a word of thanks. He came here last week with a woeful tale that his wife had suddenly left him. The cause for ner sudden leavetaking. Hurley explained, was that on the particular night she disappeared, he returned home wearied from his day's work, and when they retired for the night she asked him to kiss her. Instead of acceding to the request he thoughtessly turned over and went to sleep. The next morning he found that she

had gone. A clew to her presence here was gained from a letter addressed to her brother, in which she asked after Hollie and if he missed her. She further stated that she thought everything of him, but feared that his affection for her had undergone a All druggists, change.
